I acknowledge that my status as a Business Partner of WVE does not entitle me to use the WVE logo on my website, in communications, or elsewhere unless previously authorized by WVE. Instead, my company will show my affiliation as a partner by using the Business Partner logo appropriate to the current year. I agree to allow WVE to review all relevant communications prior to their publication or dissemination. I will pay my dues annually, with 1 month of grace period, or I understand that my logo and any acknowledgement of partnership will be removed from WVE's materials. If I lapse past this grace period, I agree to remove any language and/or logos insinuating a partnership with WVE until I have renewed my dues. I understand that this partnership is not an endorsement of my company or my company's products. I understand that if any changes occur with my company, its operations, or its reputation that has the potential to negatively affect WVE, WVE reserves the right to sever the partnership.
